Contractors performing work under the auspices of a permit issued to a general contractor or owner are also responsible for compliance with Village Codes and Ordinances attendant upon the work performed. A written contract is required for all home improvement projects (including electrical upgrades, sewer repair, ext.) A copy of the signed contract (by both contractor and property owner) shall be submitted with the permit application. Contractors are required to provide owners with a copy of their state consumer rights and verification of same shall be provided in the contract, pursuant to state statute.

I affirm that I am the owner of the above-listed subject property, or, am acting as an authorized agent of the owner. As an owner, I consent to all required inspections of the work performed and that all work shall be conducted and completed in accordance with Village codes, ordinances, manufacturer's specifications and industry standards. As an agent of the property owner, I hereby attest that I am duly authorized by the owner to bind the owner to the above-stated inspection consent, codes and standards and will indemnify the Village of Lyons for all liability associated with such representation. Both the owner and/or his agent are duly notified that a falsification or inaccuracy of information provided on this permit application, a violation of the applicable codes or standards, or, a failure to obtain a required inspection may result in the suspension or revocation of the permit and render all work, systems or equipment regulated under this permit as unlawful.
